So at the end of the key stage: pupils will be able to tell the stories of Christmas and Easter, and what they tell Christians about God. That God is revealed as Trinity – one God, three persons. That the world was created by the Father, through the Son, in the Holy Spirit. This is revealed to Christians						

in the Bible and here we find Jesus teaching which challenges Christians about how they live their lives. Key to this is the belief that God loves all people and that Christians are called to live that love, in marriage, the consecrated life or the single life and love their neighbour as they love themselves. Importantly, Christians believe that God the Word becomes human in Jesus Christ who shows what it is for God to love the world in the way he lives His life, what He teaches, how He dies and when He destroys death by His resurrection.

Pupils will also be able to talk about one Jewish festival or special time and how that links to Jewish beliefs about God, Torah and Israel. They will show an understanding of what it means to be a Jewish adult in different types of Jewish community (Orthodox and Progressive).
