

Home Learning:

Homework: Due in Thursday.

Reading – Aim for at least four entries in your reading journal.

Maths – Complete the rounding homework on MyMaths.

English – Research for your chosen writing outcome.

Spellings – Revise the spellings.

Times Tables – Mixed multiplication test up to 12 x 12 every Friday.

Worker of the Week

Erin Davies – Erin has been a fantastic role model for the rest of the class. Her work has been of the highest quality and she has responded to every challenge that she has faced. Keep up the good work Erin!

Presentation Award

Sienna Painter – Sienna has worked hard and she has focused on her presentation in all subjects. Well done Sienna!

Dear Families,

In R.E this week, the children have started their new learning on the Holy Trinity. They have begun by learning about The Holy Spirit and linked this to their understanding about different symbols they have encountered in previous lessons.

In Maths, the children have built on their understanding of place value to round numbers to the nearest 10, 100 and 1000. They have used number lines to understand visually and conceptually how to round numbers. We will be completing our unit of work on place value next week and continuing to consolidate throughout the year.

In English, we have started to research for our final writing outcome. The children have chosen the topic that they want to write about and have considered how they are going to collate the information. Over the coming weeks, they will be drafting and editing before they publish their work in the final week.

The children have been preparing readings and practising their songs. It will be fantastic to see you at the church for our Harvest Festival on Tuesday 9th October at 2.00pm.

Enjoy your weekend!

Mr Grinsill
