Dear Families,

In RE, the children explored how the stories about Guru Nanak are inspirational to Sikhs and have an influence on their lives and the choices that they may make. We also considered the choices that we make and the values that we would like to demonstrate to other people.

In Maths, the children have completed their unit of work on decimals. They have worked incredibly hard and I am really proud of what they have achieved. We have now moved on to working on time and telling the time on a twenty-four hour clock. They have also learned to convert from minutes into seconds and from hours into minutes.

In Literacy, the children have explored how they can use different sentence starters to improve their writing and add variety to their sentence structure. They have linked their writing in Literacy to Topic learning we have covered about Pompeii.

Our attendance this week was 96%. Well done and let's aim for 100% for next week.

Enjoy your weekend!

Mr Grinsill
