Presentation Award

Dear Families,

What a great start to the year. I have really enjoyed getting to know the class this week and they have quickly settled in.

We spent time discussing what our ideal classroom would be like and agreed a class set of rules for the school year.

We also explored and discussed what it takes to be a 'Year 4 writer'. We looked at the different skills that we will need to use throughout the year and created posters that we can refer to.

In Maths, we have undertaken a week of 'Inspirational Maths'. The children have watched different video encouraging a positive mindset and attitude to Maths. They have undertaken tasks that have built on problem solving skills.

I look forward to discussing the learning that will be taking place in The Hollies at meet the teacher on Friday 15th September at 2.40pm.

Enjoy your weekend!

Best wishes,

Mr Grinsill
