Dear Families,

In RE this week, the children finished their unit of work on The Kingdom of God. They answered key questions that they have encountered throughout this unit of work and showcased their learning and understanding.

In Maths, the children have completed their unit of work on multiplication and division. They worked through some challenging word problems and used the bar model as a key representation to aid them and support their understanding.

In Literacy, we have pulled together all of the skills that we have learned. The children have produced a persuasive brochure linked to our topic of Ancient Greece. They loved sharing this work with you during our Beautiful Work exhibition.

Our attendance this week was 95.8%. Well done and let's aim for 100% when we return.

Enjoy your half-term!

Mr Grinsill
