Dear Families,

In RE this week, the children explored the parable of the Good Samaritan. They discussed the story and what they thought the key messages were. They considered the quote 'Love your neighbour' and thought about ways that they carry out neighbourly actions for the people around them.

In Maths, we continued our new unit of work on multiplication. The children have been working really hard on their 6x, 7x and 9x tables. Within these lessons we have explored the structures involved in multiplication and the children have a really clear understanding of what multiplication is.

In Literacy, we have started our next unit of work on persuasive writing. We have looked at the use of formal and informal language and considered the impact this has on the reader. There has been a real emphasis placed on vocabulary and high quality language in our writing.

Our attendance this week was 99.5%. Well done and lets aim for 100% next week.
