Dear Families,

In RE, the children have continued their learning on inspirational people and have learned about the importance of Guru Nanak to the Sikh faith.

In Maths, the children have been working really hard on fraction and decimal equivalents. They have now moved on to comparing and ordering decimals with tenths and hundredths. We have used different resources to consolidate the children's place value understanding.

In Literacy, the children have started their new unit of work on writing to entertain. They have been writing a diary entry to start off. As a class, we have then explored how we can plan our writing to develop and maintain interest for the reader. In particular, we have focused on how we can link our ideas together and make it easy for the reader to follow and make connections.

On Thursday, we will be hosting our Sports Day at Warberry Academy field. It will start promptly at 1.00pm and team colours will be provided for the children.

Our attendance this week was 94.4%. Well done and lets aim for 100% for next week.

Enjoy your weekend!

Mr Grinsill
