## Worker of the Week

Liberty Hurley – Great perseverance in Maths. She worked really hard and had a great attitude to push herself when she found the work tricky!

## Presentation Award

Sophie Butler – A beautiful Kennings poem in RE.

Dear Families,

In RE this week, the children went up to St Matthias Church and worked with Reverend Stephen. They learned about Baptism and were able to ask any questions that they had about the topic. They learned about a traditional baptism service and how that would take place in the church.

In Maths, the children have completed the unit of work on multiplication and division. They have been using both written methods and the bar model to solve tricky word problems and have completed their final assessment.

In Topic, the children have been applying their writing skills across the curriculum. Following on from our Beautiful Work exhibition, the children have written a recount of the event in an entertaining style. They focused on conveying their emotions during the day and retelling in a dramatic style.

Our attendance this week was 100%. Well done and let's aim for 100% for next week.

Thank you so much for all of your hard work, you have all been amazing!

Enjoy your Easter!

Mr Grinsill
