

Home Learning:

Reading- Please read at least four times a week and fill in your reading journal.

Times tables- Please practise your 2 and 5 times tables up to 12 times.

Spellings- February, forward, fruit, grammar, group, guard, guide, heard, heart, height

Maths- Please see My Maths for this week's task. If you need a paper copy, please let me know.

Worker of the Week

Worker of the week this week goes to Natasha Pennington, for her brilliant teamwork skills in P.E. Well done!

Presentation Award

The Presentation Award this week goes to Anna Maddocks, for her consistently high levels of presentation and effort. Well done!

Attendance

100%, well done Maples, another week of 100%!

Dear Families,

What a fabulous week of learning this week in The Maples!

In English this week, The Maples have written postcards as if they have visited Torquay for the first time and were writing home to describe their visit. They had to think about the different sentence structures they've learnt and up levelling their vocabulary using thesauruses.

In maths, The Maples have started adding one digit numbers to three digit numbers. They were thinking about all the different strategies they could use and the different ways they could represent this through diagrams and explanations.

In P.E, the children have learnt a new game called Bench Ball where they have to work as part of a team. Throughout the game, they have to use their skills of communication and teamwork to work tactically to attack and defend. They have really enjoyed playing!

Finally, as part of the Well-Being sessions with Premier, the children have been thinking about moving well and all the different effects exercise has on the body. They took part in a mini circuit doing different exercises and measured their heart rate before and after.

Important Dates

Tuesday 9th October is our Harvest Service at St Matthias at 2pm.

Best wishes,

Have a lovely weekend,

Miss Conibere
