

Home Learning:

Reading- Please read at least four times a week and fill in your reading journal.

Times tables- Please practise your 8 times table ready for the test next week.

Spelling- We are going to be practising spelling rules that we have learnt through RWINC spelling- adventurous, courageous, mountainous, dangerous, disastrous, picture, future, mixture, creature, adventure

Literacy- Please complete the grammar sheet.

Worker of the Week

Worker of the week this week goes to Charlie Heron for his consistently high standards and brilliant learning behaviours across all areas of his work, well done!

Presentation Award

The Presentation Award this week goes to Darwin Salisbury- Rood for his perseverance to join his handwriting and maintain his letter size, well done!

Attendance

93.8%, come on Maples, we want to get this attendance back up to 100%

Dear Families,

We have had an incredible week of learning in The Maples! It has been jam-packed full of exciting learning experiences.

In Maths this week we have been using a different type of bar model to solve word problems. We have been using the comparative bar model when a problem has asked how many more or how many less. This has really challenged us as we have had to use lots of mathematical skills.

In Literacy we have been getting to grips with a brand new genre of writing, persuasion! This meant looking at lots of different types of persuasive writing to pick out the key features. Also, we have focussed on using formal and informal language and the difference this can make when writing.

Through our new unit of incarnation in R.E. this week, we have compared two different artistic representations of Jesus' baptism. We looked for the different representations of the Holy Trinity and thought about what the artist was trying to explain.

Have a wonderful weekend!

Best wishes,

Miss Conibere
