Dear Families,

What a very busy but fantastic final week of learning in the Maples!

We have been very busy drafting, editing and writing the final version of our myths and adventure stories. We had to think carefully about the structure of our myth, how we were going to build suspense and tension and using lots of show not tell to describe the characters and settings.

In Maths this week we have been grappling with using bar modelling to represent multi step multiplication and division problems. It has helped us work out what operation we need to do first.

Thank-you for all your items the children brought in to help them create their own Anglo-Saxon houses. We have managed to construct an entire village; it's as if the invasion and settlement happened in our class!

Well done to the children who were part of the LAP Choir and Samba band who performed at the ERC on Tuesday evening. You were fantastic and a credit to Ilsham, despite it being a late night you were all in early the following day so well done!

Best wishes,

Have a wonderful Easter break.

Miss Conibere
