Dear Parents / Carers,

We have had an absolutely amazing week on our residential to Beam house and the children have been fantastic ambassadors for our school. I hope you been able to keep up to date with the posts on Twitter and there will be more photos out soon!

The children showed us how amazing they each were every day: they were battling their fears of heights, crawling through the mud and demonstrating their brilliant team work skills. Throughout the residential, all the children cared for and supported each other, which was great to see.

With SATs now fast approaching, we have set some skills based work to focus on for a short time each day over the Easter break. It would be fantastic for the children to work through these independently first before checking with you and discussing, correcting and proving their answers with you.

I hope you all have a fabulous holiday.

Kind regards,

Mr Carr
