

Home Learning:

Home Learning

Topic - For Home Learning this week, please practise reading your favourite books or books from school or the library at home fluently. We'll be doing a quick check on how fluently you can read in school next week.

Reading - Please continue to read at least 4 times a week at home. It really does make a difference to your child's reading in school.

Maths - My Maths has been set.

Spellings for 18.05.18

1. Usual
2. Television
3. Treasure
4. Station
5. National

Dear Families,

During the week, the class have been learning about habitats with Mrs Dagnall in both Literacy and Science lessons. They have been very interested to find out facts about different habitats and have started to plan to write about them in an informative way producing booklets and leaflets. In Maths lessons, the children have started a new topic about money. This includes recognising all coins and notes and using them to find totals and how to give change.

Beeches have also had a very busy week completing some special Year 2 work. They have all worked incredibly hard and done their very best with every piece of work they have attempted this week. We have a quiz left to do next week and I am sure they will continue to show all their wonderful learning from the year so far. Keep up the hard work Beeches!

On the last day of half term, Friday 25th May, Ilsham Academy are going to hold a Mufti Day to raise funds for charity we are supporting this year. 'Escape from Poverty' supports children and their families with the help of dedicated staff who are focused on helping them to break out of their impoverished background. For less than £1 a day we can help to transform the life and future prospects of a child by sponsoring their ongoing education. We receive regular updates for the children we are sponsoring and Angel, Saliha and Taraswin recently graduated. Please help by sending in a donation on Mufti Day. Thank you for your continued support.

Have a wonderful weekend!

Mrs Merrell

Presentation Award:

Our Presentation Award goes to Francesco for his work in Maths this week. Keep up the fantastic effort Francesco.

Star of the Week ★

Our Star of the Week is the whole class, who have worked so hard to complete all their learning during the week.

Both Mrs Merrell and Mrs Dagnall have been very impressed with your learning attitudes and effort. What stars you all are!

Attendance

Last week's attendance was 96.8%!
Let's see if we can get to 100% next time.
It really is wonderful to see you all in school every day.
