3. Find 5 facts about the impact of WW2 in the local area.

**Times tables:** Mixed (0-12)

**Attendance:** 95.6%

Let's keep aiming for 100% Oaks!

Dear Families,

It has been a busy week leading up to half term. The Oaks had lots of visitors and were very proud of the ethos group who played an important role showing round our guests and speaking to them about the school.

The Oaks also enjoyed sharing their learning from beautiful work. They worked incredibly hard drafting and critiquing their maps and were very excited about providing you with a treasure hunt- we hope you all enjoyed it too!

In RE this week, the Oaks considered morals and what it means to make a moral choice. They discussed scenarios from the perspective of themselves, a Humanist and a Christian and showed incredible insight into the reasoning different faiths may have.

In Maths this week, the Oaks have been looking at tables and line graphs. They blew me away when many of them came back to say they had been reading timetables at home as well to support their learning.

Well done for all your hard work Oaks- enjoy your half term!

*Miss Houcke*

### Worker of the Week

Worker of the week this week is awarded to Chester for being a good friend towards others and taking time to be a wonderful listener using the skills we have been working on in class.

### Presentation Award

Presentation award this week is for Oran for taking his time to carefully present his work.
