Homework: Due in Thursday.

Spelling-

prejudice privilege

profession programme

pronunciation queue

recognise recommend

relevant restaurant Writing-

Write a short recount about either:

- a) The disco
- b) Science week
- c) World book day

Remember- quality not quantity! Focus on your sentence structure and cohesion.

Times tables: Mixed (0-12)

Attendance: 96.65%

Let's keep aiming for 100% Oaks!

Dear Families,

The Oaks were curious scientists all week as they investigated changes of state in a variety of ways. They were both amazed and disgusted by how the milk and cream changed states through movement or mixing with other ingredients and made some great observations. Creating new inventions to support the future of mankind made the Oaks think why Science is important and the jobs scientists encounter. They also really enjoyed you coming in to share their work!

In Maths, the Oaks have worked very hard to understand and use fractions: they have been dividing numbers to make fractions, simplifying and comparing fractions. They are using a range of methods to show their understanding and choosing which one suits them best. Some of the Oaks are even working them out in their heads!

Lots of disco fun was had this week so a big thank you to the PTFA who work so hard to plan such a fantastic event. I know the teachers enjoyed it and all of the children had a wonderful evening too!

World book day was full of fun and exciting characters and there was lots of discussions about favourite books and authors. We spoke lots about our book 'Letters to the Lighthouse' at the moment and made some predictions about what will happen next.

Thank you for a wonderful week Oaks and have a fabulous weekend!

Miss Houcke

Worker of the Week

Worker of the week this week is awarded to Emilia for fantastic effort with her fractions and being a delightful member of the Oaks.

Presentation Award

Presentation award this week is for Emily for being conscientious of her handwriting, practising carefully every day and applying this to her work.
