SPAG- Assessment sheet to practise a range of grammar, punctuation and spelling objectives.

Times tables: Mixed (0-12)

Attendance: 96.4%

Let's keep aiming for 100% Oaks!

Dear Families,

The Oaks were inspired by some of the writing that Year 6 shared with them this week. It prompted some rich discussion about editing and up levelling of sentences which meant the Oaks went on to thoroughly edit and improve their writing.

Using dienes, images, place value grids and fractions, the Oaks have shown a clear and deep understanding of decimals so far! They have all produced some fantastic journaling and are articulate and clear with their understanding.

In Science, they went on a mini-beast hunt in the garden whilst the sun was still out. They then discussed the different characteristics of the animals they found and the difference between arthropods, molluscs and segmented snails. By generating questions to differentiate between the animals, they created their own classification keys.

The Oaks were excited to have been invited back to church to take part and observe communion. It followed on from their learning last half term in RE and the meaning of salvation to Christians. They love engaging with our local community and are always a credit to Ilsham.

Have a wonderful weekend Oaks!

Miss Houcke

Worker of the Week

Worker of the week this week is for Chester for his kind nature when he's patient and supportive with peers and perseverance with his learning. He's been a pleasure to have in the class!

Presentation Award

Presentation award this week is for Taylor for showing his potential with handwriting and attempting to make his letters the right size and joined- keep it up!
