

Home Learning

Homework: Due in Thursday.

Spelling-

**accommodate accompany
according achieve aggressive
amateur ancient apparent
appreciate attached**

SPAG/handwriting- the children were challenged to finish their SPAG activity about collective nouns (there are lots of weird and wonderful collective nouns for you to discover at home).

Maths- multiplication challenge on MyMaths.

Times tables: Mixed (0-12)

Attendance: 95.5%

Let's keep aiming for 100% Oaks!

Dear Families,

The Oaks have had a great week of learning and I'm sure they're ready for a relaxing weekend.

This week we have been using a variety of methods for multiplication and division. It is really important that we can multiply and divide accurately by 10, 100 and 1000, so we have been working hard to master and apply this skill.

In our writing, we have been thinking about our writer's craft: cohesion. It is really important that, as well as using all the grammar knowledge we are gaining, people enjoy reading our writing. Therefore, we have been analysing lots of great examples and applying this to our writing.

I loved that people had been home and done extra learning about space this week. It's such an exciting topic in Science and this week we have looked at the order and relative size of the planets. The Oaks were challenged to think of a rhyme that would help them to remember the order- I wonder, has anyone thought of one yet?

Finally, we have been thinking about spirituality this week and what it means to us, others, the world around us and beyond. It is important for the children to take time to think about this in their busy lives and they really enjoy having time to think and reflect.

Enjoy your weekends!

Miss Houcke

Worker of the Week

Worker of the week this week is awarded to Abigail for her incredible learning behaviours and contributions to lesson. She is 100% focused every lesson and shows an amazing passion for learning!

Presentation Award

Presentation award this week is for George for such a fantastic improvement in his handwriting which is really shining through in his Literacy learning. Keep up the great work!
