nuisance occupy occur

**Reading-** please read at least  
four times a week and  
discuss your reading.

**My Maths-** practising finding  
missing angles.

**Times tables:** Mixed (0-12)

**Attendance: 92.8%**

Woo hoo!!

Dear Families,

The Oaks have been investigating angles this week: they learnt about the different names for angles (including my favourite one) and applied this to problem solving questions. To find the missing angle, they used their knowledge of angle facts combined with the four operations.

For their writing this week, the Oaks have been improving how they use dialogue in their stories to advance the action or convey how a character is feeling. After reading some examples, they had a go at writing some of their own pieces where two different characters showed their personality through the way they spoke. Then they applied this to a traditional tale setting.

In RE, they were thinking about inspirational people and their impact on people in the world today. Humanists don't believe in God, so the Oaks were considering who they might look to for inspiration and analysed some inspirational quotes to help them understand why.

The Oaks improved their volleyball skills even further this week by thinking about the different types of skills used during the game, practising them and then modelling and demonstrating the skills to the rest of the class.

On Thursday, the Oaks thoroughly enjoyed their transition day and are incredibly excited to begin year 6 with Mrs Merrell. They will have an amazing year!

Finally, well done to the Year 5 children who organised the fundraiser after school on Friday. They were entirely independent with the organising and running of the event and should feel incredibly proud!

Have a lovely weekend!

*Miss Houcke*

### Worker of the Week

Worker of the week this week is for Lilliah for her incredible enthusiasm and engagement with improving her maths this week.

### Presentation Award

Presentation award this week is for Miles for showing his lovely handwriting during handwriting practise this week and applying it to his learning.
