Thank you for your continued support ☺

The presentation award this week goes Thomas for his beautifully presented letter to Tom the fisherman! Well done Thomas!

Dear Parents and Carers,

This week the Rowans have enjoyed exploring materials in science. They have read the story 'The Mousehole Cat' and were surprised to find a letter from Tom the fisherman asking them to help him find a suitable material for a new fishing coat. The Rowans were keen to get started and so they set off by testing different materials to see if they were waterproof. They decided that plastic was the best waterproof material however it was not very comfy so they would line it with 'fluffy carpet'!

As part of our RE learning we had a fantastic visit from Reverend Stephen. The children really enjoyed listening to Reverend Stephen and learning about baptism. They now have a better understanding of the meaning of a baptism.

Key dates:

### Attendance:

Our attendance on the last week of term was 99.1%.

We are almost there Rowans! Let's try and get 100% Rowans so that we can win back Iggy the bear and have an attendance celebration!

### Star of the Week

The star of the week is India-Rose for her amazing hard work and enthusiasm in her learning this week. India-Rose has really impressed me with her fabulous learning behaviours this week. She showed amazing determination when improving her story and I really enjoyed reading it! Well done India-Rose!
