Home Learning:

Home Learning.

Just wanted to say a huge thank you for your support and dedication towards the Tudor house home learning, they all looked incredible!

For home learning this week, I would like the Rowans to create their own riddle about an animal of their choice.

E.g I am cold blooded,
I have four legs, a long tail and can change colour. What am I?

Spellings:

Again,

Children,

Everybody,

Hold,

Poor,

Thank you for your continued support

The presentation award this week goes to Sebastian for his detailed and careful 'Aboriginal Under the Sea' art work. Well done!

Dear Parents and Carers,

What a fun and wonderful week in the Rowans! In Science this week, the Rowans have been exploring different weather patterns across the four seasons. As part of our Topic learning, the children have been challenging themselves to create riddles about different sea creatures.

The Rowans had a brilliant morning on transition day this week and are looking forward to their next adventure in Year 2! I am delighted to have the pleasure of taking the children up into the Beeches and excited to hit the ground running in September!

Next Thursday, we would like to invite you to drop in to the Rowans classroom to see their amazing art work and home learning projects from our topic learning.

Key dates:

Thursday 12th July – Rowans Art Exhibition open classroom 3:00pm-3:20pm

Friday 20th July- Summer Fair

Tuesday 24th July- Plymouth Aquarium

Many thanks

Miss Godfrey & Miss Cutts

Attendance:

Our attendance last week was 99.6%.

We are so close to getting 100% and winning back Iggy the bear! Well done Rowans!

Star of the Week

The star of the week is Gracie for her consistently positive attitude and behaviour towards all learning. She is a great ambassador for our school values and a fantastic role model to her peers! Well done Gracie, keep up the amazing work!
